## Formulary and Pharmacy Communications

### PHARMACY ONESOURCE HOSTS THE #1 ONLINE MEDICATION MANAGEMENT PORTAL WITH INTEGRATED DRUG INFORMATION.

Pharmacy OneSource's pharmacy communications tool provides you the most versatile, easy-to-use tool to manage, update, and communicate your formulary in print, on the web, and on handhelds. As well, it effectively and swiftly communicates vital patient safety info, plus policies and procedures, throughout the entire organization (and community providers and patients if desired). Simply put, it amplifies the voice and impact of pharmacy.

#### Features:

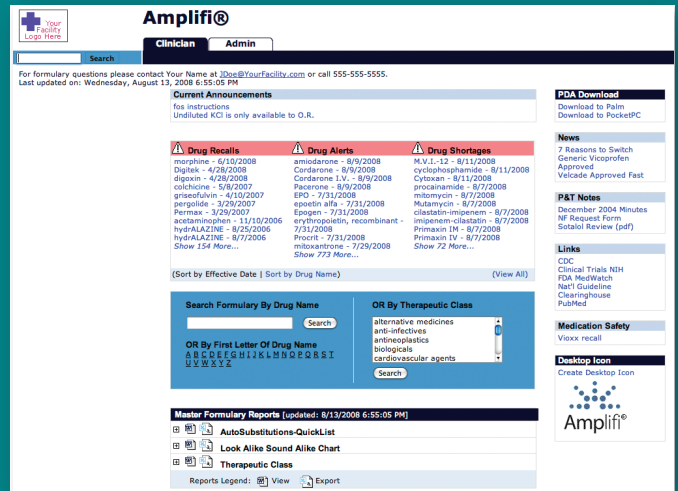

- Dashboard design and efficient user interfaces
- Cross-referencing database technology with automatic updating of FDA MedWatch notices, look-alike sound-alikes, and non-formulary alternatives
- Distinct sites for prescribers and optionally patients, nurses or pharmacy
- Formulary monograph with integrated dosing guidelines and patient leaflets
- 20 customizable formulary statuses
- Auto-generation of formulary specific look-alike sound-alike reports, black box warning reports
- Real-time updating of one or multiple formularies

#### BENEFITS :

- Improved communications among pharmacy, nursing, and medical staff
- Reduced pharmacy costs (time, labor, and money)
- Access provided to physicians, nurses wherever they need it
- Faster, safer decisions for improved patient care
- Address multiple Joint Commission standards and National Patient Safety Goals
- Reduce medication errors and increase patient safety

**Additional Features:**

- Highly customizable site, content, and functionality
- Manage formulary items (includes compounded items) by formulation
- Identify and cross-reference drugs with therapeutic interchanges
- Attach alerts, recalls, dosing guidelines, and notes
- Versatile and flexible reporting capabilities
- Single point access to P&T notes, pharmacy policies & procedures, and links to pertinent resources
- Handheld access on Palm and PocketPC operating systems
- Includes complimentary access to DIOne drug information
- Full service set-up and ongoing support
